Directions

From A61 Penistone Road: Turn onto Bradfield Road (towards Stannington), which continues on to Holme Lane. Take the 2nd of the two roads (B6076) Stannington Lane. Then take the 2nd right onto Wood Lane, just before The Anvil pub. Take the 1st right onto Myers Grove Lane, past PW Autos garage, and Myers Grove House Cat Hotel. At the fork in the road with Greave Lane, keep Left on Myers Grove Lane. Just before the dead end, turn left through the green gates. The Crosspool FC car park is immediately on your right (blue dot on map above).

Note:

- (1) The site is situated behind Forge Valley School (Wood Lane) in Stannington, but there is no access to the Myers Grove Hub site through the School.
- (2) There are TWO parts of Myers Grove Lane, both of which are off Wood Lane. Our site is on the part of Myers Grove Lane DOWNHILL from the Forge Valley School – you will not be able to drive between the two parts of Myers Grove Lane (footpath only). If you've passed the Forge Valley School on your right driving up Wood Lane, you've missed the correct Myers Grove Lane turn off!

Site Plan:

Parking

There is a short walk (4 mins max) up a gravel slope to the pitch that we play our home games on. Pitch 3 does involve walking up the grassy bank from the car park (2 mins walk) If the Crosspool FC car park is full, please park on the opposite side of the public footpath (on

your left as you came in through the gates). Please park considerately at all times, ensuring you do not park in any disabled bays or disabled access ramps used by the Stannington Community Association (community centre). There is no charge for car parking but cars [and the contents therein] are left entirely at owners' risk.
